

## ACCESSIBILITY

MCorp Technologies are subject to legislation which has been enacted with the goal of developing standards for goods and services, information and communications, and employment, which improve accessibility for persons in Ontario with disabilities. For further information, please address your request to:

Larry Henderson  
Vice President and General Manager  
MCorp Technologies  
5150 Mainway Drive Unit 2  
Burlington, Ontario

### Accessible Formats & Communication Supports

MCorp Technologies will, upon request, provide or arrange for the provision of, Accessible Formats and Communication Supports in order to make its communications or information about the goods and services it offers accessible to persons with disabilities.

### Feedback

MCorp Technologies will ensure their processes for receiving and responding to feedback are accessible to persons with disabilities by providing or arranging for the provision of Accessible Formats and Communication Supports, upon request.

### Exempt Information

The above information and communication standards do not apply to (i) products and labels; (ii) unconvertible information or communications; and (iii) information that MCorp Technologies do not control directly or indirectly through a contractual relationship.

Should MCorp Technologies determine that information or a communication is unconvertible, it will explain why this is the case and provide the person making the request with a summary of the requested information or communication.

### Consultation and No Additional Cost

Where Accessible Formats and Communication Supports are requested, they will be provided in a timely manner that takes into account the person's accessibility needs due to disability and at a cost no more than the regular cost charged to other persons.

### Employment

MCorp Technologies are committed to providing accommodations for people with disabilities throughout the interview and employment process. If you require an accommodation, we will work with you to meet your needs.
